Rectangular Self-Inkers

Think of all the repetitive writing you do...

Your company's name and address, paperwork routing, shipping messages, special notations, bank information, etc.

Then think of all the time you'll save with cost effective self-inking and pre-inked stamps!

Just press your spring-loaded desk-top assistant into action. It does the job in an instant!

Unlike the old-fashioned rubber stamp and pad, you won't get messy hands or blotchy impressions.

- No separate stamp pad needed
- Fast, clean, easy to use and re-ink
- Thousands of high quality impressions without re-inking
- Full size visible label with your message
- Designed for professional quality marking

Great for office, factory, home, school, clubs and more!
